

Marshall Road PTA • Fairfax Collegiate

After-School Robotics Registration

Marshall Road Elementary and Fairfax Collegiate are partnering together to provide after-school robotics classes to Marshall Road students. Students will develop teamwork, creative and critical thinking skills while being introduced to concepts like engineering and programming or film principles and the production process, while having a great time. Space is limited, so register now!

Competition Robotics

- **Dates:** Wednesdays from Feb 8 - Mar 28 for eight classes
- **Time:** 90 min classes from 4:00 - 5:30
- **Course Fee:** \$195/student for eight 90-minute classes
- **Grade Range:** Grades 4-6

Stop Motion Animation

- **Dates:** Tuesdays from Feb 7 - Mar 27 for eight classes
- **Time:** 90 min classes from 4:00 - 5:30
- **Course Fee:** \$195/student for eight 90-minute classes
- **Grade Range:** Grades 4-6

Forms must be returned to the school and checks made out to Marshall Road PTA. Please contact Amanda Waltrip with any questions (agwaltrip@fcps.edu). Space is limited, and the **registration deadline is February 1**, so act now to ensure your spot.
