

Marshall Road PTA presents

“50 Years Strong”

Anniversary Benefit and Gala

March 23, 2012

7:30 – 10:00pm

Westwood Country Club

In 1961, Marshall Road Elementary School opened its doors in Vienna, Virginia. The students and staff share enormous pride in the school’s rich educational history and its strong community.

To honor our 50th anniversary, we are working on completing 50 community service projects. Students, teachers, parents, alumni, family and friends have all had a chance to be involved. We want to say *thank you* for your support by hosting this gala for our school. This is a time to celebrate Marshall Road’s past while we also look forward to its future.
