**Happy 2012!** And with a new year, there are always changes. Our Marshall Road Elementary School PTA website will be upgraded this Friday, January 6th. We are moving to a new platform to improve functionality as well as reduce the number of volunteer hours needed to add and update information on our website. Our new PTA website will allow us to maintain our current web address ([www.marshallroadpta.org](http://www.marshallroadpta.org)) and seamlessly provide online newsletter capabilities. It will also allow us to provide online payment options.

Please be patient as we transition to our new website. You may experience some downtime on Friday late afternoon or evening as we move to our new format.

We want to thank Marshall Road parent, Coqui Aspiazu, for her extensive contributions as the webmaster of our current website and designer of our new PTA website. *Thank you so much Coqui* for all that you have done for the Marshall Road community!

Sincerely,  
Beth Eachus  
PTA President
