III. May Minutes – Approval: Jennifer Harlow asked that the May 2017 Minutes be approved. Attending PTA members had no objections and May Minutes stand as written and will be recorded accordingly.

IV. Treasurer Report– Andrea Kramer – July 1 will reflect the final budget. Fundraising had a phenomenal year; \$25,248.40 net gain for the runathon. Great year for Dining for Dollars! Thanks to everyone who participated. Thanks to membership for approving the \$12k transfer to the Principal's Fund. 24 iPads and one laptop will be purchased with this money. Wrapping up various programs and collecting expenses – final numbers will change a bit. We will use the Arts Enrichment as there will be two activities in the month of June. If you're interested in helping with that, please contact your teacher or room parent to find out how. Information is available on the MRES PTA website too. The PTA is working with Ms. Naylor regarding a summer reading program. Lastly, the PTA will provide a catered lunch for the teachers Monday, June 26. Thanks to everyone's generosity as it makes it possible for the PTA to do so much for our students, teachers and staff!

V. Nominating Committee – Missy Dixon submitted the following Motion for the PTA Slate for 2017-2018 School Year nominating:

Anna Moore for President; Andrea Kramer for Vice President; Amanda DuFrayne for Vice President; Meredith Hulley for Secretary. There are no nominations for Treasurer. PTA Board Member, Andrea Kramer seconded the motion, the attending PTA members voted and the stated Motion was passed.

VI. Principal's Report-Jennifer Heiges thanked all the volunteers, as well as the 2016-2017 Board Members.

Teachers are working hard to create grade level websites through Google. An email will go out to the community on June 22. Through MRES website, there will be a new tab which will then let you select a specific grade level. This summer, you will be able to click on your child's current grade level to see what they can do to stay fresh and not fall behind. There will be a tab for rising kindergarteners too, but for this summer click on your current grade unless you have a rising KG. We really think this will be great as there will be tips for the summer, get people used to using Google and how to find what they are looking for and this will replace the newsletter that comes

home – so a one stop shop. At back to school night in September teachers will give a tutorial on how to us this as well.
