

On Friday, November 10th, Marshall Road Elementary is raising money for our school and PTA to fund field trips, special events and technology. Please consider making a one-time donation-- or pledge an amount per lap that I will run.

Most students run between 8 and 20 laps; my goal is to run _____ laps!

Checks should be made payable to Marshall Road PTA. Please visit www.marshallroadpta.org for a link to email family and friends for donation requests as well as make online credit card donations.

Please remember that Marshall Road PTA is a U.S. 501(c)(3) charitable organization. Your donation is tax deductible under the I.R.S. guidelines!
